

**DEPARTMENT OF THE AIR FORCE**  
**AIR UNIVERSITY (AETC)**

I hereby certify that my student's final document provided to the thesis processing center for submission to the Defense Technical Information Center (DTIC) has only minor edits compared to the document originally submitted to and approved by public affairs (PA), and that the technical content has not been altered at all.

I understand that any change in technical content requires the document to be resubmitted to and approved by PA before it can be submitted to DTIC.
