

ISOTOPE RESEARCH AND DEVELOPMENT DECLARATION

GENERAL INFORMATION:

Isotope(s): _____ Research Type: _____

Institution: _____

Principal Investigator: _____

Researcher (if different than PI): _____

PLEASE PROVIDE:

1. A brief summary of the project in which the isotope(s) will be used. If the isotope(s) is used for a different purpose than stated here, this declaration must be *resubmitted* to the NIDC to verify that the new use is a legitimate research application.
2. The funding source and point of contact at the funding entity:
3. Anticipated deliverables from the R&D project (publications, technology, products, intellectual property, etc.):
4. Certification that the U.S. DOE will be acknowledged as the provider of the isotope(s) used in the research in subsequent publications and presentations. The following language is recommended:

“The isotope(s) used in this research was supplied by the Isotope Program within the
Office of Nuclear Physics in the Department of Energy’s Office of Science.”

☐ I agree and will acknowledge the U.S. DOE Isotope Program as the provider of the isotope(s).
